

9th Annual Golf Tournament * Tuesday, June 21, 2011

Each Year in the Peel Region alone, there are thousands of women who are abused physically, mentally and emotionally. Of these women, mostly with children, only a small percentage of these women come forward to seek the help they so desperately need.

The Brampton Women's Shelter receives more than 600 calls a year and takes in 250-300 families each year. For these women and children it gives them more than just a safe haven, it gives them hope. Most importantly it provides them with the skills they need to cope with the future.

Help us raise funds for these families seeking Shelter at a most crucial time in their lives. Your support will fund programs for the women and children to help them start their new lives in a strong, confident way. Your support will help bring awareness to this cause and hopefully an end to the circle of abuse.

For more information please visit our link at [Shelter Brampton](#).

We can make a difference but we can't do it alone. Thank you.
